Dear 5.1.2e

Please accept our gratitude for your donation of \$ 5.1.2b, 5.1.2f which will enable us to organize various activities during the Academic Year 2019/2020 within the Leiden Aramco Partnership programme “Diversity and Unity: the Majestic Civilizations of the Arab World”.

Your kind donation will be allocated towards the successful organization of the Leiden Lectures Series on Arabic Language and Culture, Pre-University Classes for high school students and Studium Generale Lectures for mature students and general public. The Middle East Market was held in the weekend of 30<sup>th</sup> November and attracted an unprecedented number of visitors from Leiden and far around. All events are well attended and rated highly by participants.

Since 2013 Aramco Overseas Company and Leiden University have cooperated successfully and it is thanks to your support of our joint activities that we were able to spread the diverse and impressive achievements of the Arab world to the general public and our academic counterparts.

Let me close by saying how much we value our relationship, and express my hope that in the near future I will have the opportunity to personally welcome you to Leiden. Wishing you and your family all the best for 2020.

Kind regards,

5.1.2e
