Dear 5.1.2e

Please accept our deep gratitude for your donation of \$ 5.1.2b.5.1.2f which will enable us to organize the activities in 2018 within the Leiden Aramco Partnership programme “Unveiling the Cosmopolitan Arab World”.

As per your request the financial donation for 2018 has been allocated towards the successful organization of the ‘Leiden Lectures Series on Arabic Language and Culture’ and the ‘Pre-University Classes on Arab Language and Culture’. Both events are well attended and rated highly by participants.

Since 2013 Aramco Overseas Company and Leiden University have cooperated successfully and it is thanks to your support of our joint activities that we were able to spread the diverse and impressive achievements of the Arab world to the general public and our academic counterparts.

Let me close by saying how much we value our relationship, and express my hope that in the near future I will have the opportunity to personally welcome you to Leiden.

Kind regards,

5.1.2e
