Dear Dr. Buskens,

I am 5.1.2e a faculty at Al Akhawayn University, I had a meeting with you two years ago. We discussed venues for collaboration between the School of Humanities and Social Sciences and the NIMAR center.

I am in the process of organizing a conference titled "Teaching and Learning Second Languages in the 21st Century." I am seeking sponsorship to cover various expenses associated with the event. Your support in this matter would be greatly appreciated. I believe that professors from Leiden University engaged in researching and teaching foreign languages could significantly benefit from the NIMAR or Leiden University sponsorship, enabling their participation in the conference.

For more information about the conference, please visit the official website:

Kind regards,
