Dear Leon,

Thank you for your email.

I met with the Dean on Wednesday and I reassured [5.1.2e] about the event because it was sort of short notice to [5.1.2e]. I have also worked with [5.1.2e] to prepare the poster for the event at the faculty because the faculty wanted a poster by Friday. The auditorium has also been booked. I have invited students in my classes as well as the whole English Department. I'm sure some will join us tomorrow. I have also invited my colleagues.

Kind regards,

Dear Friends,

Thank you once again for your interest in NIMAR, much appreciated.

I am very grateful to you for your willingness to present our longstanding cooperation to the president of Leiden University Professor Annetje Ottow and to the [REDACTED] of the Faculty of Humanities [REDACTED] coming Monday 26 February 2024 from 16.30 until 17.45 h at Amphithéâtre Charif Al Idrissi.

Your Dean Professor [REDACTED] has been so kind to agree to the programme as underneath.

May I ask you to be brief in your presentations (preferably with a powerpoint, but no more than five minutes) so that the meeting will be interactive.

It would be very nice if you could bring your students, also to the film screening afterwards in the "Salle Septième Art".

Please note that you are all invited to the informal dinner at le Pietri from 20.30 h onwards.

With many thanks and looking forward to seeing you soon,

Léon
