Dear friend Leon Buskens

I would like, first, to thank you for providing me with the opportunity to benefit from the ASCL visiting fellowship programme 2024, and I deeply appreciate the role you effectively play in developing the scientific relationship and collaboration between Morocco and the Netherlands.

I would like to inform you that I've received a direct flight ticket from Casablanca to Amsterdam (02- 04- 2024/30- 04- 2024) and other documents such as an invitation, conditions and agreements...

I'd like to ask you about the VISA and the documents I must provide to apply for it.

Warm regards

Dear colleagues,

I am very much looking forward to listening to your presentations on your projects coming Monday afternoon. Our colleague 5.1.2e is so kind to arrange the technical preparations.

If you intend to use a PowerPoint, could you please be so kind to send it to 5.1.2e at your earliest convenience?

Thus, 5.1.2e can have it installed with the technicians of the Faculty so that everything will be ready upon your arrival and you can focus on the contents of your presentation.

With many thanks and best wishes,

Léon
