Dear Leo,

Thank you for this prompt response. I understand that this was a short notice and hope that you can still come to Kenitra. As I mentioned last time I saw you at Nimar, I will be coordinating a MA program at Ibn Tofail. I hope that you can come and give a lecture in Kenitra next Fall. I will be in touch for that and perhapes we can also discuss possibilties of collaborations with your Nimar program.

All the best
