Dear Dr. Buskens,

We can arrange the visit at 5pm. Unfortunately, I won't be able to attend as I will be coordinating an event organized at the same time.

On a different note, if you could please share with us the list of persons attending on your side in order to inform the security at the gate. Many thanks for your understanding.

Dear 5.1.2e

Many thanks for your flexibility. At 14 h we are still at the Residence, we cannot be with you before 15 h, although we would really prefer 17 h, or even slightly later.

With many thanks for your help and understanding,

Léon

Dear 5.1.2e

Many thanks for your message, much appreciated.

Unfortunately, we only have the end of the afternoon of Thursday 12 October available. It would be appreciated if you could receive us for a brief visit of 30 tot 45 minutes, just to meet with 5.1.2e and you and to take a walk. We would like to come back for a more elaborate visit later if possible. This would just be a first meeting. I hope it will be feasible.

With many thanks and best wishes,

Léon Buskens
