ISSUES BASED ARTS AND SOCIAL CHANGE IN THE CONTEXT OF MOROCCO

A collaborative meetup and brainstorm session

The UNESCO Chair on Issues Based Arts Education, Intercultural Dialogue and Social Cohesion at ArtEZ University of the Arts in the Netherlands is committed to contribute to the UNESCO goals in the context of Morocco through the arts and education.

NIMAR and the UNESCO Chair warmly invite you to participate in a dialogue aimed at exploring how the chair can most effectively channel its efforts throughout its four-year mandate in regard to specific focus areas, societal challenges and communities to collaborate with.

Please kindly confirm your attendance by responding to this message.

The session will be held in English.
We hope to welcome you on December 2nd.
