Hi 5.1.2e

Bedankt, ik zal je mail doorsturen naar de Universiteitsraad. Vanuit de raad waren er inderdaad al vragen gekomen over de procedure en criteria voor evenementen. Fijn dat de raadsleden bij deze bijeenkomsten van jou een toelichting kunnen krijgen.

Hartelijke groet,

Dear all,

I would like to bring to your attention a recent [announcement](#) by the university which seeks to clarify its criteria and procedure for the organization of events. In essence, it formalizes some aspects which have been changed last year (approval goes through the faculty), and offers more specifics on specific types of events about which there was insufficient clarity. It may not answer all your questions, but hopefully it's a step in the right direction.

For those interested, I am organizing two sessions on 10 October (the Hague) and 16 October (Leiden), where the main procedure will be explained, but also questions can be posed (you can find details in the announcement).

Please feel free to share this message with others you may know who are organizing events and have questions about the procedure.

Best wishes,

5.1.2e
