## Whereas

- The Grant Recipients have submitted a Research Proposal for the project to NWO as part of the Call for Proposals Perspectief 2023-2024;
- NWO has decided to award funding to this Research Proposal entitled “FOUNDATION FOR INDUSTRY” (FIND);
- The Project Stakeholders, being co-funders and/or cooperation partners have committed to support the Project as indicated in the Research Proposal and/or their respective Declaration co-funding as specified in this Agreement;
- The Parties wish to collaborate under the terms and conditions as set forth in this Agreement.

## Agree as follows

### Article 1

#### Definitions

Affiliates	With respect to a Party, any Entity that now or hereafter Controls, is Controlled by or is under common Control with the Party. “Control” means the direct or indirect beneficial ownership of more than fifty percent (50%) of the voting stock, or decision-making authority in the event that there is no voting stock, in another entity; provided, any such Entity described above shall be deemed to be an “Affiliate” only for so long as such Control exists. “Entity” is defined to mean a corporation, partnership, limited liability company, association, unincorporated association, trust or other entity or organization, including a government or political subdivision or an agency or instrumentality thereof.
Agreement	This agreement, including the recitals and the Annexes.
Annexes	The annexes to this Agreement, which include: Annex 1: Intellectual Property Rights, Confidentiality and Publication Procedure; Annex 2: Research Proposal, including Declaration co-funding; Annex 3: Grant Award Decision NWO; Annex 4: Background Information Notice; Annex 5: Financial information NWO.
Background Information	All information, techniques, know-how, software and materials (regardless of the form or medium in which they are disclosed or stored), as well as any Intellectual Property Rights pertaining thereto which is in the possession of a Party prior to commencement of the Project, or is generated or obtained by a Party before or outside the Project and which is necessary to carry out the Project and which is listed in Annex 4 of this Agreement.
Call for Proposals	Perspectief 2023-2024
Committee	The advisory committee or user committee established by Parties as prescribed in the Call for Proposals, which at least includes representatives of all Parties, but may

also include, where appropriate, representatives of NWO and/or of scientific and/or societal stakeholders, and which has a supervising and advisory role with regard to the Project's progress in terms of science and knowledge utilisation.

Effective Date	The signing date of the last Party to sign this Agreement.
Grant Award Decision	The decision by NWO, as included in Annex 3 to this Agreement.
NWO	The Dutch Research Council (Nederlandse Organisatie voor Wetenschappelijk Onderzoek).
Project	The research project entitled "Foundation for Industry, acronym: FIND", [REDACTED] M, as further specified in the Research Proposal.
Project Leader	The person employed by the knowledge institution who bears final responsibility for the project in terms of content and finance, as referred to in article 5.1 of the NWO Grant Rules 2017.
Publication	The disclosure of Results, in any manner or by any method whatsoever, excluding any disclosure resulting from an application for a patent on Results (article 5.1 NWO Grant Rules 2017).
Research Proposal	The Research Proposal submitted to and granted by NWO, included in Annex 2 to this Agreement.
Results	All inventions, results, materials, methods, processes, programmes, software, findings or discoveries that are generated within a Project (article 5.1 NWO Grant Rules 2017).

## Article 2

### Conduct of the Project and Committee

1. The Project will take place under the general supervision of [REDACTED] J I (the Project Leader). Parties shall conduct the Project in accordance with the Research Proposal, the Grant Award Decision and the NWO Grant Rules 2017 to the best of their knowledge and ability and taking into account the criteria and standards applicable to scientific and/or technological research.
2. In calling a Committee meeting the Project Leader will send an agenda at least fifteen (15) calendar days in advance. Minutes will be sent immediately to the representatives of the Parties and will be deemed approved if none of the Parties make a written objection to the Project Leader within fifteen (15) calendar days after receipt.

Each Party has one vote. Decisions shall be taken by a majority of two-thirds (2/3) of the votes cast provided that three-fourths (3/4) of the Parties are present (quorum). Decisions require the approval of the Party whose rights and/or obligations are modified by the decision, excluding a defaulting Party.

3. The Project Leader is responsible for the scientific quality, coordination, Project management and progress of the Project and to this extent arranges for:
  - the organisation of a kick-off meeting to be organised at the start of the Project to which all Parties shall be invited;
  - the organisation of Committee meetings, that will take place at least once per year. During the meetings, the progress of the Project towards both science and knowledge utilisation shall be discussed and evaluated;
  - the preparing of a progress report before the meetings of the Committee and reporting on these meetings;
  - managing the process of obtaining societal, economic and/or scientific value out of Results;The Project Leader may appoint a project manager in or outside his/her knowledge institute and delegate its Project management tasks such as the organisation and conduct of Committee meetings. For any avoidance of doubt, the Project Leader remains responsible for the delegated tasks.
4. If any patentable invention is created in the Project and/or a related patent application is filed, the inventing Part(y)(ies) shall inform the Project Leader. The Project Leader shall inform the other Parties thereof by sending the inventions concerned to each member of the Committee, taking into account the interests of all Parties (including that of the inventing Party).

The confidentiality provisions of this Agreement shall apply to such disclosure of Results. Therefore disclosure of Results to third parties is only permitted if in compliance with Annex 1.

5. In the event that the Project cannot be conducted in accordance with this Agreement, the Research Proposal and/or the NWO Grant Rules 2017, the Project Leader notifies NWO immediately. All possible solutions shall be discussed, upon which a decision on the continuation of the Project shall be taken by NWO.
6. Parties shall obtain first-hand information on the progress of the Project and the Project in general.

## Article 3

### Contribution and Invoicing

1. Grant Recipient(s) shall receive the grant from NWO in accordance with the Grant Award Decision.
2. Project Stakeholder(s), being co-funder(s), shall deliver the in cash contribution(s) in accordance with their respective Declaration co-funding included in paragraph 9.5 of the Research Proposal. The contribution of the Project Stakeholder(s) is invoiced by NWO on behalf of the Grant Recipient(s) in accordance with the Payment Schedule and Invoicing Form(s). Furthermore, Project Stakeholder(s) shall provide NWO with all additional necessary information to facilitate such invoicing.
3. Project Stakeholder(s), being co-funder(s), shall deliver the in kind contribution(s) in accordance with their respective Declaration co-funding included in paragraph 9.5 of the Research Proposal.
4. In the event that the Project is terminated prematurely, Parties shall discuss the reimbursement possibilities of instalments of Project Stakeholders', being co-funder(s), contributions.

## Article 4

### Intellectual property, Publication and Confidential Information

1. ☐ Parties follow the standard NWO policy on intellectual property, publication rights and confidential information as specified in Annex 1 (standard text NWO).  
  
☒ Parties make their own arrangements in Annex 1 (tailor-made agreements) on at least:
  - . ownership of Results;
  - . access to Background Information and/or intellectual property rights for the conduct of the Project;
  - . access to Results and/or intellectual property rights for the conduct of the Project;
  - . publication;
  - . confidential information.
2. In either case the arrangements in Annex 1 comply with the following documents:
  - . Call for Proposals;
  - . NWO Grant Rules 2017;
  - . European legislation on state aid;
  - . Ten Principles for Socially Responsible Licensing as laid down in the NFU report on 'Ten Principles for Socially Responsible Licensing'.

## Article 5

### No Guarantee

Each Party shall carry out the tasks assigned to it in this Project and this Agreement with care and diligence. Nevertheless, no guarantee is given that any expected Results will be achieved, or that Background Information and Results are fit for any particular purpose, or that Background Information and Results do not infringe rights of third parties, or that patent applications result in granted patents. Parties shall not create or develop any technology for the Project that knowingly infringes any third party intellectual property rights. For the avoidance of doubt, neither Parties' obligations in this respect comprise conducting patent searches.

## Article 6

### Miscellaneous

1. Parties shall not assign their rights and obligations under this Agreement or any part thereof without the prior written consent of the other Parties.

3. Each Party is responsible for its own actions and omissions under this Agreement and shall be solely liable for any loss, damage or injury to third parties resulting from the performance of the said Party's obligations by it or on its behalf under this Agreement or from its use of Results or Background Information. No Party granting any licenses under this Agreement shall be liable in case of infringement of proprietary rights of a third party resulting from any other Party exercising its license rights.  
For the avoidance of doubt, each party shall be liable for any failure of its Affiliates to abide by the provisions of this Agreement as if such failure was the act or omission of such Party.

8. A Party receiving Confidential Information as defined in article 4.1 of Annex 1 from another Party, may only disclose such Confidential Information to those employees and/or external consultants and/or Affiliates, who have a need to know such Confidential Information for the purpose of executing the Project, under the condition that such employees and/or external consultants and/or Affiliates are bound by appropriate (labour)agreements requiring them to treat such Confidential Information confidentially. The receiving Party shall at all times be fully responsible to the disclosing Party for the compliance with this Agreement by such employees and/or external consultants and/or Affiliates.
9. This Agreement may not be amended, modified or terminated orally; no provision of this Agreement may be waived orally; and no amendment, modification, or waiver of any of the provisions hereof shall be binding unless in writing and signed by all Parties.
10. In the event of nullity, void-ability or unenforceability of one or more provisions of this Agreement, the remaining provisions shall remain in full force and effect. Parties shall, by written agreement of all Parties, replace in good faith any null, void or unenforceable provision with a valid and enforceable one such that the objectives contemplated by the Parties when entering into this Agreement may be realised.
11. The waiver of a provision or breach of an obligation or the failure to exercise any rights provided under the Agreement, shall not be deemed to constitute a waiver of any other provision or subsequent breach of an obligation and shall not prejudice the exercise of any right in the future.
12. The Parties will conduct themselves in relation to the Project in compliance with mandatory applicable laws (including but not limited to any applicable data privacy, health and safety, anti-bribery and corruption and export laws and regulations ) and, without prejudice to the generality of the foregoing, the Parties shall act in compliance with applicable antitrust law and any applicable national and international export control regulation.

## Article 7

### Term and Termination

1. This Agreement shall come into force on the Effective Date and shall thereafter remain in force until three months after the date of termination or the date of conclusion of the Project through a Grant Amount Decision as defined in article 5.1 of the NWO Grant Rules 2017.
2. With regard to a Party:
  - that has not, not timely or not properly fulfilled its obligations under this Agreement and, after having been summoned thereto in writing, has failed to remedy such breach within a reasonable term mentioned in the summons, without prejudice to the right of the other Parties to claim the losses they have suffered as a result of the default and/or termination of the Agreement;
  - in respect of which a suspension of payment is granted, bankruptcy is declared, an administrative order is filed, a receiver is appointed in respect of its assets or a general assignment for the benefit of creditors is made; or

that goes into liquidation or that permanently discontinues its business; the other Parties may terminate this Agreement vis-à-vis such Party with immediate effect, without judicial intervention or any further summons being required, by giving written notice by registered mail. The remaining Parties shall discuss on what conditions they continue the Agreement in accordance with the NWO Grant Rules 2017.

3. All articles except article 2 shall survive termination of this Agreement.

## Article 8

### Applicable law, disputes and signature

1. This Agreement is governed by Dutch law. Any dispute arising from or in connection with this Agreement shall be submitted to the district court of The Hague, The Netherlands. Parties shall however endeavour first to settle any and all disputes arising from or in connection from this Agreement amicably.
- 2.
3. The signature of a Party via a scanned or digitized image of a handwritten signature (e.g. scan in PDF format) or an electronic signature (e.g. via DocuSign), shall have the same force and effect as an original handwritten signature for the purposes of validity, enforceability and admissibility. The Parties agree that delivery of the fully executed copy via e-mail or via an electronic signature system, irrespective of whether the signatures are on the same page or on separate pages, shall have the same force and effect as delivery of an original hard copy.
