Dear [redacted] J,

Many thanks for your message of today and the request for an impact assessment.

I will, of course, be very happy to provide such a report as well as give you any follow-up information that you may require. I would respectfully ask, however, for a slightly longer deadline. I need to bring together data from various sources and consult with LUCIS colleagues.

Would you agree to a delivery date of Wednesday 26 April 2023. That is two weeks from today and would enable me to fulfil your request in the best possible way.

I look forward to hearing from you. Many thanks in advance for your attention.

Best wishes,

[redacted] J

Dear [REDACTED],

I hope all is well with you and that you had a good Easter.

We kindly ask for your assistance in sharing with us the impact report for the 2022 donation and to please provide the information as per the attached form.

This is for our internal use and to share with our management the details of the impact of our donation.

We would also appreciate any details of the number of courses/lectures and the attendance figures and any other workshops that may have been held. In addition, on the form we also ask for any other relevant measurements/numbers that you may think are relevant.

Please let me know if you have any questions or need any more information on this.

We would be grateful for your feedback by early/mid next week if that is ok.

Many thanks and all the best,

[REDACTED]
